Dear Dr. Burleigh:

Early in September I was in Picton doing some research on my family, and while there met Mrs. Lorna Thompson who felt you could help me.

I am interested in the Bongard family. I am particularly interested in Conrad Bongard an original settler at Adolphustown and North Marysburgh. I know he died about 1850 but I cannot locate the burial place.

I am interested in securing the date of his birth, place of birth, date of death, the name of his wife, her maiden name. I know she was widowed when married to Conrad and her name was Carr. They wer married in Phila., Pennsylvania.

Any information relating to Conrad and wife would be of great interest to me. I believe he came from Hanau in the Upper Rhine Valley, but I know nothing about the family prior to Conrad.

I understand the Bongard name is anglicized from Bungar.

Thank you for any clues or references that you might suggest.

Very truly yours,

Clifford A. Bongard
